- United Nations (UN)
- World Food Program (WFP)
- World Health Organization (WHO)

8. People who exhibit high levels of global citizenship

Gino Strada (b. 1948)

Surgeon who saved war victims in conflict zones with the conviction that everyone in the world has the right to be treated regardless of wealth

"Human rights means all living human beings have equal rights. It cannot be divided into classes A, B, and C according to how much wealth a person has."

8. People who exhibit high levels of global citizenship

Ban Ki-moon (b. 1944)

8th Secretary-General of the United Nations.

"Of the 7.6 billion people in the world, there are billions who are disadvantaged, marginalized, unemployed and hopeless. If we all act passionately as global citizens, we can help them."

9. Global citizenship and COVID-19

- Changing the world
- Aversion scarier than the virus
- Solidarity and cooperation
